

ASBESTOS SURVEYS CURRENTLY HELD BY PROJECT MANAGEMENT & SURVEYING SERVICES

Type 2 (Standard sampling, identification and assessment) surveys have been carried out on the following properties:

Hard copies are available for viewing/copying, (pending of suitable electronic database) should they be required for projects etc.

It is recommended that Surveyors/Engineers responsible for maintenance on the buildings surveyed acquaint themselves with the survey contents.

The surveys are stored in Project Management & Surveying Services area.
